

St. Nicholas Parish Nursery

Ever find it hard to give both the Word of God and your small children adequate attention during Mass?

We've been there!

But, the co-op nursery at the 10:30 Mass has changed all that! Now, our children, 6 months to 4 years old, can play, wiggle, and make noise and we get to enjoy Mass to our fullest abilities. The nursery has pagers and can contact you when your child needs you. The nursery is located left of the gathering area through the double doors.

What does joining the co-op nursery mean? Your little ones get to play every Sunday at the 10:30 Mass while you attend Mass noise free. All you need to do is volunteer at the nursery (with the help of teen volunteers) once every few weeks, as it fits your schedule. The more parents that join, the less often you need to volunteer. So recruit your friends! We are also looking for teen volunteers.

If you would more information on the nursery, please stop by on Sunday or contact Carol Loyet at 632-4441 or dcloyet@att.net. References from a co-op parent also available.
